

# Young Arts

In November, we supported Ravenswood School (Nailsea) in their *Shakespeare Schools Foundation* production of "*The Comedy Of Errors*".

**Thank you to our YA representative Susan and to our VOLUNTEERS who helped with Fund raising and audience data collection at The Tobacco Factory - a very worthwhile event.**

*SSF is a cultural education charity giving young people the confidence to see that all the world is their stage.*

**THANK YOU!**

The work of Shakespeare Schools Foundation would not be possible without the help of our committed supporters: individual donors, trusts and foundations and partners. Thank you all!
